Thanks and stay cool!

Hi All.

Just to follow-up on this, would a call somewhere between 11:00 & 2:00 on Wednesday, the 26th, work for everyone? Please let me know and I'll go ahead and set something up.

Thanks,

Elizabeth

Unfortunately, we have a Superfund all-employees meeting from 2:30-4:30 on the 18th, so we could either have a really brief call from 4:30 - 5:00 or we should look at the following week. I'm pretty much available all week the week of the 24th except for the 26th from 2:30-4.
Please let me know and sorry about that.

Hi All.

So I'm thinking it's time to regroup on the Urban Waters process now that the national announcement has been made and we've taken some initial steps at compiling a table of federal actions that are ongoing within the Passaic or neighboring communities. Therefore, please let me know your availability for the rest of this month for an hour call. The only days I can't do are the 12th and 21st .

Thanks and I hope all is well,

Elizabeth
